

Our Company

SI FREIGHT is the International Shipping company with a focus on you, the customers. Founded in 2024 in Venice, a historic hub of maritime trade, **SI FREIGHT** blends tradition and innovation. We have a youthful and dynamic character, and we are committed to meeting your shipping needs in Italy and around the world in a practical and professional manner. We operate with a quality-oriented mindset, utilizing state-of-the-art operational facilities to ensure the utmost satisfaction of our customers. With offices in Italy and a global presence, we are able to promptly respond to the demands of local markets, providing in-depth knowledge of customs and administrative regulations. Our national and international brokerage services cover all stages of transportation and logistics, including door-to-door solutions via land, sea, and air, customs clearance, warehousing, insurance, packaging, and consolidation/deconsolidation.
